## ISLAND BOY IS MARRIED IN VICTORIA

**By Review Representative**  
GANGES, Jan. 16.—The marriage took place on Jan. 14th, at 5 p.m., at the home of the officiating minister, Rev. J. S. Paterson, of Jenny, youngest daughter of Mr. and Mrs. T. McGaw, 2616 Douglas Street, Victoria, and Mr. Garfield Pengelly, only son of Mr. and Mrs. Pengelly of North Salt Spring Island.

The bride wore an attractive frock of blue crepe de chine and matching hat with a small veil. She wore a corsage bouquet of pink roses, white and mauve sweet peas and fern.

After the ceremony a small reception was held at the home of the bride's parents, where the rooms had been decorated in a color scheme of yellow and white. Mrs. A. Ward, sister of the bride, received the guests, wearing a smart frock of pale blue silk. A buffet supper was served from a table centred with the wedding cake.

The bride and groom left for Salt Spring Island, where they will spend their honeymoon. They will make their home on Queen's Ave., Victoria.

Among those who entertained in the bride's honor, prior to her marriage, was Mrs. A. Burnett, who gave a miscellaneous shower at the home of Mrs. Kyle, 920 Yates. Master Kenneth Knisley presented the gifts.

## LOCAL CONSTABLE IS MARRIED IN ANACORTES

Constable Helmsing was united in marriage to Miss Marilou Armande Bechaud at a very pretty ceremony in Westminster Presbyterian church, Anacortes, Washington, on Sunday, January 6th. The happy couple returned to Sidney via ferry on Monday afternoon, where they were given a gay reception, many local citizens and business men having turned out to offer congratulations on their arrival.

The young couple will make their home on Beach Road at Armstrong's Point.

The following is the account of the wedding as it appeared in The American, Anacortes, Washington: "The wedding of Miss Marilou Armande Bechaud, daughter of Mr. and Mrs. Royal Armand Bechaud of this city, and Mr. George Harold Helmsing of Sidney, B.C., solemnized Sunday afternoon at 4 o'clock in Westminster Presbyterian church, was a beautiful candle-lit ceremony. Reverend J. C. Reed led the impressive service, from an altar decorated with candelabras and standards. White candles intertwined with holly and greenery, illuminated the stained glass windows.

"With Mrs. William Vergil Wells playing the pipe organ accompaniment, Mrs. MacGregor Allan beautifully sang, 'I Love You Truly' and 'Because.' At the strains of Lohengrin's Bridal Chorus, the groom and best man joined the pastor at the altar, where they were met by the bride party, with Miss Clara Belle Ashley of Elma, Washington, the maid of honor. The bride, who was given in marriage by her father, was exquisite in a tulle gown of white, with a collar of silver at the neck-line, long full sleeves and silver cuffs, and tied at the waist with a striking cord of the same material, rolled and twisted to form lovely end tassels. She carried a bouquet of gardenias and Talisman roses. The maid of honor wore a gown of a deep shade of green silk crepe and her bouquet was of delicate cream roses and fresas. Attending the groom was his brother, Mr. Walter Helmsing of Vancouver, B.C., while the ushers were Mr. Philip Dylbro of Anacortes and Mr. Algot Nygren of Seattle. Mendelssohn's Wedding March was softly played on the organ by Mrs. Wells, throughout the beautiful service.

"Mrs. Bechaud, mother of the bride, was attired in blue silk crepe, with a hat of gold, and wore a corsage of roses and fresas. The groom's mother, Mrs. Helmsing, wore black lace and a silver hat with a similar corsage. Immediately after the ceremony, a short reception was held in the rear of the church, with the wedding party

## Many Enjoy C.C.F. Dance at Fulford

**By Review Representative**  
FULFORD, Jan. 16.—On Friday evening the local C.C.F. Club held a dance in the McBride School-house, Fulford with a good attendance. The music was supplied by A. and P. Stevens and L. King. Mrs. R. Daykin was in charge of the refreshments, assisted by others. The proceeds will go towards the C.C.F. members' fund.

## BUSINESS MEN TO MEET, 6TH

The Sidney Businessmen's Association will meet at dinner at 6:15 sharp on Wednesday, Feb. 6th, at Roberts' Bay Inn, where Mrs. Simister will provide the meal. All members are urged to be present and bring along an idea for the improvement of our town.

Reports from various committees now functioning will be presented and indications are that ample time will be available to freely discuss new ideas brought forward by members for bringing more business to Sidney.

## Bridge Tournament

Play in the North Saanich Service Club bridge tournament will be resumed tonight (Wednesday) at the club hall, Mills Road.

Players are reminded of the fact that they are asked to take cards and pencils. Play commences at 8:15 p.m. sharp.

## NEW CHEAP CLASS PHONE CALLS SOON

Station-to-station calls, the cheapest class of long-distance telephone service, will become available from Sidney to Vancouver Island and Lower Mainland points on January 21st, when the B.C. Telephone Company extends its classified system of long-distance service.

At the present time the classified system, which has come into widespread use in North America, applies on calls to British Columbia points east of Hope and to points in other parts of Canada and in the United States. On January 21st the B.C. Telephone Company will extend the classified system to the remainder of its territory, thereby making the types and hours of long-distance service uniform.

Under the classified system there are four classes of service: person-to-person, station-to-station, appointment and messenger. Under the station-to-station method the calling party calls a particular telephone but not a particular party, and pays if someone answers at that telephone, no matter who it is.

Day, evening and night rates will apply on station-to-station calls, while the rates for person-to-person calls will be the same at all hours.

## FINE ADDRESS BEFORE MEN'S MEETING

An unprecedented crowd of men attended the third of this season's men's supper meetings, a total of 66 being tabulated. This exceeded a previous record of 63 by three counters. This is very gratifying to the committee, especially when it is realized the response to their efforts is so spontaneous and without propaganda.

The speaker on Wednesday last was W. Newcombe, a well-known visitor in this district in connection with his work as archaeologist and archivist. His talk on Wednesday was "Indian History of South Vancouver Island." It was illustrated by a number of excellent slides and traced the origin, habits and development of the aborigines of this district. The speaker evinced a wide grasp of geographical ethnological and historical facts and proved very fascinating, and a warm vote of thanks was accorded him by the big crowd.

Alex. McDonald, M.L.A., acted as chairman.

## GANGES I.O.D.E. AIDS NEEDY

**By Review Representative**  
GANGES, Jan. 16.—The Ganges Chapter, I.O.D.E., held their regular monthly meeting on Friday afternoon at the home of Mrs. A. J. Eaton, Ganges, the regent, Mrs. V. C. Best, in the chair and 17 members in attendance.

The minutes of the last meeting were read and adopted. The treasurer reported that Mr. Wilfert's donation to the chapter from the proceeds of the Wilfert-Johnson Company dance held recently at the Mahon Hall, in addition to the sum cleared by entering for the entertainment, amounted to \$70. This money, with an extra \$4 from the funds, was spent entirely on Christmas hampers for families in need.

A letter of thanks was read from the Queen Alexandra Solarium, acknowledging the gift of \$20 sent towards the X-Ray equipment.

The gift of several smoked salmon, kindly sent to the chapter by Yousaki of Broadview's mountain, was distributed among local families.

The names of Mrs. Desmond Crofton, Mrs. V. C. Best and Mrs. C. E. Baker were proposed for the next regent of the chapter. Other officers were also nominated. The election will take place at the next meeting, on Friday, Feb. 1st, to be held at the home of Mrs. Eaton. Tea hostesses for the afternoon were Mrs. H. Johnson and Mrs. H. T. Peter.

## Capt. Nat. Gray Candidate For School Board

The name of Captain Nathaniel Gray, postmaster at Saanichton, and widely known throughout our territory, has been added to the list of candidates on the school board elections in the Saanich municipality which will take place on Saturday, Jan. 26th. Capt. Gray announced his candidature on Monday, thus bringing the number of aspirants to four, from which two are to be elected.

In announcing his candidature, Capt. Gray made it clear he was seeking election without backing from any organization. He wished to represent the municipality as a whole, and not any one section. He would fight for efficiency at all times, with a strict eye kept on the budget. Economy was essential, but the children should not suffer, he felt. Residents of all sections of the municipality had asked him to place his name as a school board candidate, he stated.

## NEW ALASKA SERVICE THIS SUMMER

VANCOUVER, B.C., Jan. 16.—In addition to its regular Alaska service next summer, the Canadian National Steamships announce the operation of four special cruises of its luxurious twin-screw S.S. "Prince Robert," one of the finest and fastest passenger vessels in West Coast waters. The first sailing will take place on June 28.

Prompted by the popular demand for Alaska travel which developed last season, the company will offer a series of 11-day trips which add to the ordinary route through the Inside Passage to Alaska such attractions as Gardner Canal and Douglas Channel, an ocean voyage through the heart of Coast Range mountains.

Among the ports of call will be Sitka, fascinating capital of Alaska when the Pacific knew Russian rule; Skagway, town of totems and gateway to the piled-up peaks of the Yukon; Ketchikan, where the colorful craft of the carved West Coast crowd into port with their shimmering, silver cargoes of salmon; Juneau, Alaska's capital and veritable storehouse of native art and history.

On her southbound journey the ship will sail up Denikine Channel to pass close by Mackenzie's Reef, named after Sir Alexander Mackenzie, first white man to journey across Canada by land. It was here, in 1793, he reached the Pacific and made his heroic inscription commemorating the event.

Coinciding with the warming rays of the northern sun, the first cruise will leave Vancouver, headquarters of the Canadian National Steamship Co., on June 28 and subsequent cruises will leave on July 12, July 26 and August 9.

Any Alaska tour is essentially a sea voyage through a spectacular series of channels. There is very little open water. On this cruise, an eight-hour stop will be made at Sitka for its wealth of historic background and two days will be spent at Skagway where a thrilling rail and boat journey is possible to glacier-guarded lakes. The largest amount of time is spent aboard ship, however, and it is here that the "Prince Robert" excels.

Of public space the vessel has an abundance both inside and outside. She carries more than 300 first class passengers and her accommodation is on a par with that of many trans-Pacific liners. Her many de-luxe suites even possess a telephone service and an extensive public address system reaches all rooms. Of aids to navigation she has many, including her wireless direction finder, latest depth recording device and gyro compass.

## CHILDREN ARE GIVEN PARTY

**By Review Representative**  
GANGES, Jan. 16.—The combined Sunday Schools of Saint Mark's, Central Settlement; North Vancouver and Saint Paul's, Ganges, held their annual Christmas party in the Central Hall recently.

The hall was prettily decorated for the occasion with evergreens and vari-colored balloons, the latter afterwards being distributed among the children.

The afternoon was spent in playing games, which was followed by tea.

The teachers present from Saint Mark's were Mrs. Gordon Reid, Mrs. Harvey and Miss Phyllis Beech; from North Vancouver, Mrs. G. B. Young; from Saint Paul's, Ganges, Mrs. V. C. Best and Mrs. Frank Crofton.

Following tea cards were sung and more games were played.

The vicar, Rev. C. H. Popham, expressed his pleasure at the schools combining in this party after a lapse of some years. He also paid a tribute to the work of the teachers, and after much cheering, oranges, nuts, etc., were distributed and the party brought to a close with the singing of the National Anthem.

North Saanich is an ideal place in which to make a home. Good roads, good water, low taxes! And the surrounding scenery of mountains, islands, trees, flowers, etc., is a sight to see.

The officers elected for 1935 were:

W. Hunter addressed the meeting on the successful Dominion wide propaganda which the Canadian Jersey Cattle Club is conducting to educate the consumer as to the value of milk from registered Jersey cows and strongly urged all producers of milk to become "hundred percent Jersey" as soon as conveniently possible to be ready to meet the increasing demand for the richest milk of all.

The next meeting will be on Feb. 4th, at "Woodcote," North Saanich, the home of Capt. C. F. Gibson.

## OLD TIME DANCE, FEB. 1, DEEP COVE

One of the customs of former years will be revived on Friday, Feb. 1st, when the first "Old Time Dance" to be held at Deep Cove in over five years will take place in the Deep Cove Social Club Hall.

Keen interest has been shown by a large number of residents and from all reports a big time is anticipated.

Scafe's popular "Old Time Orchestra" will provide the tunes while "Tommy" Lidgate will call the numbers.

The small admission price to the dance (which may be ascertained by turning to Coming Events) will also include a good supper.

## DANCE FUNDS GIVEN TO SOLARIUM

**By Review Representative**  
GANGES, Jan. 16.—The Ganges Women's Institute held their first annual meeting in the committee room of the Mahon Hall recently, the president, Mrs. N. W. Wilson, in the chair, and 22 members present.

The secretary, Mrs. Charlesworth, gave a report of the work accomplished during the year, and also read the financial statement of the children's fancy dress dance held recently at the Mahon Hall, showing the sum of \$29.25 cleared, which after being made up to \$30, was sent to the Queen Alexandra Solarium to aid the fund for purchasing X-Ray apparatus.

When all accounts and donations were settled the Institute had a balance of \$44 in hand.

Plans for the coming year were discussed and it was arranged to continue quilt-making. Mrs. A. Ruckle of Beaver Point, who won the quilt made by the members last year, offered to return it to be contested for the funds. This kind offer was accepted. This time only members will be able to procure tickets, as it is the wish of the Institute that a member should own it.

Mrs. Wilson read a lengthy report on the conference, which she and Mrs. T. F. Speed had attended in Victoria.

The nomination of the five officers took place as follows: Mrs. N. W. Wilson, Mrs. Charlesworth, Mrs. Goodrich, Mrs. A. R. Elliot and Mrs. Anderson. From these five the president and secretary will be elected later.

The tea hostesses were Mrs. Wilson and Mrs. T. F. Speed.

## PIN PRICKS: A REPLY

Officers of a veterans' organization must expect criticism and they get plenty of it. But when the critics start finding fault with the service record of our officers it is time someone spoke up. One person, recently airing his views in the press, stated that "the executive offices of the Legion are filled by a group of army officers, a lot of whom never saw service in France." Here is the record:

Our Grand President, Sir Percy Lake, 50 years service in the British Army. Has fought in numerous campaigns for the Empire in many parts of the world.

The Honorary President, Lt.-Col. L. R. LaFleche, a company officer in an infantry battalion in France; very severely wounded.

The Dominion President, Brig.-Gen. Alex. Ross, three years continuous service with an infantry battalion in the line in France.

Colonel W. W. Foster, our First Vice-President, over three years in France, 15 months in command of an infantry battalion in the line; wounded.

Lt.-Col. Geo. A. Drew, the Second Vice-President, a battery commander in France till severely wounded.

The Hon. Treasurer, Major Milton F. Gregg, an infantry subaltern in France; wounded three times, won the V.C.

The General Secretary, J. R. Bowler, an infantry subaltern in France; wounded and lost an arm.

The Legion is not perfect and is glad of constructive criticism, but it is hardly fair to get personal at the expense of men who were really "over there," and most of them wounded at that.

## "Station-to-Station"

the cheapest class of long-distance telephone service

will be extended on January 21 to include calls to

## Vancouver Island and Lower Mainland Points

THE Classified System of Long-Distance Service, which is already in effect on calls to British Columbia points east of Hope and to other parts of Canada and to the United States, will be extended to the remainder of our lines on January 21. The Classified System brings with it the advantage of station-to-station calls, which are the cheapest kind of long-distance service.

On a station-to-station call you call a particular telephone number but not a particular person, and you pay if someone answers at that telephone, no matter who it is.

You say, for example, "I want anyone at 345, Duncan." Or, "I want anyone at the home of William Jones, Blank Street, Duncan." Or, "I want anyone at Smith's Furniture Store, Duncan."

On station-to-station calls there will be day, evening and night rates. On person-to-person calls the rate will be the same at all hours. The minimum period for both classes of service will be three minutes.

## Young People of Salt Spring Active

By Review Representative  
GANGES, Jan. 16.—The A.Y. P.A. held their regular monthly meeting at the Vicarage on Tuesday evening, the president, Miss Margaret Purdy, in the chair with 21 members in attendance.

The vicar, Rev. C. H. Popham, was obliged, owing to unforeseen circumstances, to postpone his intended address until a later date.

Following the opening hymn a business meeting was held. Correspondence was read from Norman Southcott of Duncan, from the Provincial Council, Vancouver, regarding the question of whether the Salt Spring branch should be affiliated with Victoria or be under the jurisdiction of the Mid-Islands Council; from Mr. Morgan of Galiano, inviting the A.Y.P.A. to join them in a debate, but after discussion it was found impossible to accept.

The request was complied with that some of the members should help with the serving of refreshments at the vestry meeting held at the Vicarage last night.

The supper hostesses were Mrs. Stuart Holmes and Miss Mary Hague.

The next meeting will be held at the Vicarage on Tuesday, Jan. 22nd. This will be a newspaper night.
